

Hi

I look after the recruitment of new volunteers at the Norfolk Citizens Advice, including Great Yarmouth. We are struggling for new volunteer Advisers and Receptionists and with an increase in client demand we need a recruitment drive to promote our volunteer positions and fulfil demand. I was wondering whether you have a parish magazine that we could write an article for to potentially attract new volunteers to our organisation? We have released an article today regarding this to the local press as well. Please could you let me know if this maybe a possibility and details of who the appropriate contact is?

If this is not possible but you maybe able to put a poster up in your offices or local area instead then please could you let me know the most appropriate person to send it to and the address please?

Thanks in advance for any help that you are able to give.

Best wishes
