Heroes Wanted.

It's time to clean up our country!

March 3-5, 2017

Our biggest-ever litter campaign, the Great British Spring Clean is

coming, and we are looking for half a million litter heroes to help clean up our country.

The #GBSpringClean will take place from March 3-5, 2017, and is being supported by, among others, TV naturalist and writer Steve Backshall, the BAFTA award-winning *Deadly 60* presenter.

"Litter dropped in a British street is a horror show for wildlife, so many animals are injured and even die from the things we throw away. This is such an important issue and I'm proud to be supporting Keep Britain Tidy and their campaign – the Great British Spring Clean."

Steve Backshall

The campaign is being backed by the RSPCA, the Marine Conservation Society, Keep Wales Tidy, McDonald's, Greggs, Harrogate Spring Water, Lidl, Costa and many other organisations.

We need your help to make your neighbourhood and our country a place we can all be proud of. Sign up now and spread the word to your friends, family and colleagues.
